Basic Definitions

Affiliated Group: one or more chains of corporations or limited liability entities connected through the ownership of stock or ownership interests with a common parent which is a corporation or a limited liability entity.

Financial Institution: the meaning given in Section 40-16-1, *Code of Alabama 1975*.

Financial Institution Group (FIG): all taxpayers in an affiliated group where at least one member of the group is a financial institution that is subject to the provisions of Title 40, Chapter 16. In the event a financial institution taxpayer is not a member of an affiliated group, that financial institution shall be treated as a FIG.

Other requirements

If members of a FIG have different taxable years, the group shall be deemed, for purposes of the business privilege tax levied by Article 2, to have a calendar taxable year.

All members of the FIG must submit their Business Privilege Tax returns together. The parent must attach a list of all members within the group. This list should include the name and FEIN of each member.

A FIG may make an annual election to file a consolidated privilege tax return. The annual reports are NOT allowed to be filed on a consolidated basis.
